Harvest Kids

Thank you so much for SERVING

1. If you take the time to prepare your lesson and any crafts or ACTIVITIES well in advance, this will go a long ways towards making your class time run SMOOTHLY.
2. On Saturday night be sure to check that your blue Noun OF CLOTHING is CLEAN and READY to wear. And of course when you get dressed Sunday morning, don't forget to put on your fashionable blue SAME ARTICLE OF CLOTHING.
3. Do your best to arrive in plenty of time to prepare your heart and your classroom and be ready to greet children Animal and love them with God's love. Then, direct them to an age-appropriate welcome activity. YOUNGER classes may use play dough or colouring pages, while older children might enjoy a crossword PUZZLE of the week's memory verse.
