The Voice at the Top of the Stairs

So when I was a _____ Noun, I would _____ Verb - Base Form up to the top of the _____ Noun - Plural as fast as I could, like it was some sort of _____ Adjective game. Well, I must have been _____ Number or _____ Number at the time. I'm not sure, but I know I was very _____ Adjective. Somewhere along the way, a voice at the top of the _____ Noun - Plural started to _____ Verb - Base Form to me. It would make _____ Noun - Plural with me, such as... "I bet you a _____ Noun you can't make it to the top of the _____ Noun." I don't really think there was a certain amount of _____ Noun or anything. As I said, I was very _____ Adjective so I probably didn't have any counting abilities anyway. Ha. I recall just _____ Verb - Present ends in ING at the top of the _____ Noun - Plural, having _____ Noun - Plural with this voice, about the _____ Noun - Plural, of course. :p

Eventually the _____ Noun (it was like a _____ Noun of a man's voice, not my own voice in my _____ Part of Body) started to bet me my _____ Animal (plural). Instead of _____ Noun - Plural, it'd say "I bet you your _____ Noun - Plural you can't make it up the _____ Animal (plural) blah blah."

As I got _____ older or younger it _____ Verb - Base Form. I never really thought about it at all. I never mentioned it to anyone... UNTIL one night I was sleeping over at my _____ Full Name of a Person place (I was about _____ Number, he was _____ Number) and we were talking about "spooky" _____ Number. Out of nowhere I brought up the "voice at the top of the _____ Noun - Plural" and my _____ brother only got all _____ Adjective and

_____ Adjective _____. Before I even _____ Adjective _____ the betting aspect, he said "Did it make _____ Verb - Past Tense _____ with you?"

We both looked at each other, _____ Adverb _____. It certainly was _____ Adverb _____ after the _____ Adjective _____. *
shudder*

A lot of bad _____ Noun _____ went down in my family at that period of _____ Noun _____ in my life, and my mother, a _____ Adjective _____ religious lady, said there was a lot of "evil" in our _____ Adjective _____ at that time. I don't at all think our _____ Location _____ was haunted, btw, it was built in the late _____ Year _____ and as I got older, I never experienced anything like that again.
