# Scrubadub in the tub

It was time for me to have a bath. I went into the bathroom and took off my clothes, as my \_\_\_\_\_<sup>Noun</sup> waited for me in the tub. I quickly gave my \_\_\_\_\_<sup>Noun - Plural</sup> a kiss before entering the bathtub, and then I sat down in the tub. I had a fun time with my \_\_\_\_\_<sup>Noun</sup>. He \_\_\_\_\_<sup>Verb - Past Tense</sup> my \_\_\_\_\_<sup>Noun</sup> and I \_\_\_\_\_<sup>Verb - Past Tense</sup>, just like we always do. I grabbed the \_\_\_\_\_<sup>Noun</sup> and \_\_\_\_\_<sup>Verb - Past Tense</sup> it on the wall. It made a nice \_\_\_\_\_<sup>Noun</sup> sound. I then dove into the water to search for \_\_\_\_\_<sup>Noun - Plural</sup> and eat \_\_\_\_\_<sup>Noun - Plural</sup>. Of course, I had to go through the portal in my tap (just for the fun) to enter the \_\_\_\_\_<sup>Proper Noun</sup> Realm and find the King of Haggis. I had a great time with him and saw my friend, \_\_\_\_\_<sup>Proper Noun</sup> dancing with his wiggly \_\_\_\_\_<sup>Noun - Plural</sup>. And then I went back through the portal, finished up my bath, and left. Just another normal bath according to my life.
