I sexually identify as

I sexually identify as an Noun . Ever since I was a boy, I dreamed of Verb - Present ends in ING over the Noun - Plural dropping Adjective , Adjective Noun - Plural on Adjective Noun - Plural . People say to me that a person being a Same noun as first one is impossible and I'm Adjective retarded but I don't care, I'm beautiful. I'm having a plastic surgeon Verb - Base Form Noun - Plural , Noun - Plural and Noun - Plural on my body. From now on I want you guys to call me " Proper Noun " and respect my right to Verb - Base Form from above and Verb - Base Form needlessly. If you can't accept me you're a prefix -phobe and need to check your Noun privilege. Thank you for being so understanding.
