7. Adjective
8. First Name Of A Person

# Strange day! Long Walk To Water Vocab

One \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_, normal day, Erica went to the \_\_\_\_\_<sup>Location</sup>\_\_\_\_\_. All was monotonous when.....boom! A  
\_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ had abruptly fell on her! When Erica got up she heard din sound. Erica thought that it was a  
\_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ but it wasn't. Then she kept on walking down the path and soon enough she has found a scythe!  
She grudgingly past the weird scythe on the path. After that she found a \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_, fatigue sandwich. It  
had moldy \_\_\_\_\_<sup>food</sup>\_\_\_\_\_ inside of it. Yuck! Anyway.....Erica mourned for the \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ ice cream from  
the park but unfortunately she didn't get it! In Erica's opinion she thought that it should be ritual for a kid to have  
ice cream everyday. Erica sat on a bench and noticed a \_\_\_\_\_<sup>First Name of a Person</sup>\_\_\_\_\_ veer away from her. Erica said  
to herself "this was a peril day" I wish this was all a dream" and then Erica woke up.
