It was ______ in Sarajevo. The ______ and Peter came to Sarajevo to adventure the city for the holiday. Peter was a Occupation and was trying to decide for the past year between his wife and the <u>Same Female Name</u>. Peter was <u>Number</u> and the <u>Same Female Name</u> was twenty-five. They had to make sure that this relationship was the real thing, not a <u>Same Occupation</u> student romance. The <u>Same Female Name</u> loves Peter. They went out to <u>Place</u> for lunch sense it was too Same Type Of Weather for an outdoor picnic. And they ordered the wild <u>Food</u>. Peter said " It was probably ordinary ______ Same Food ______ soaked in red cabbage water to darken it" the ______ Same Female Name notices that she has become used to his complaining. The ______ Same Female Name ______ told Peter "I love you with inordinate affection." It was a joke between them. Peter not amused said, "Your inordinate affection is my wife's sorrow, that's the trouble." The <u>Same Female Name</u> changed the subject and talked about <u>Event</u>. There were two waiters looking over at the narrator one of them about her age. he had luxuriant Adjective hair, flashing eyes and a <u>Color</u> smile. The <u>Same Female Name</u> smiled back and Peter noticed. The other waiter looked at the narrator reproachfully and she knew why. She thought "What was I doing with this man with <u>Adjective</u> hair?" She knew the <u>Feeling</u> she had for Peter was a lie. She stood up said buy to Peter and kissed him on the <u>Part of Body</u> it smelt gently of <u>Noun</u>. That was how she fell out of love with her <u>Same Occupation</u>. It was a silly <u>Adjective</u> thing to do.
