# Marks, Thomas Christmas Party 2015

Once upon a time there was an           Noun           firm. There were many employees at this firm all           Pronoun           enjoyed           Verb - Present Tense           to work and           Verb - Present Tense           on their drawings and projects. One day, one of our clients said "draw           Determiner           over!" and           Determiner           people at the           Noun           screamed and           Verb - Past Tense           and yelled out loud.
