Cal Band

One Adjective morning, i was studying for a midterm, and I needed to know the Noun of a Noun, but google was not helpful and did not know very much about Noun - Plural. So instead, I consulted the Adjective Cal Band Noun, Maggie, and she told me to search for the answer within the depths of the Noun - Plural at TH. So I did. After searching for Number days, I uncovered Number goldfish crackers, 3 Noun - Plural (thankfully none used), Person in Band (still Adjective but Adjective as always), and a Adjective Person in Band, who told me that I was dreaming and that I should wake up because I was going to miss Saturday morning call time. So I did and I learned that I had missed 10 Adjective wake up calls from Samantha Delia and I had Number points and had been sent to secondary. That is why I Verb - Non 3rd Person Singular Present Cal Band.
