My Sister Always Does This

My sister is a Adjective girl.

She never wears Noun - Plural or shoes. She always wears a Noun.

Usually, she goes to the place. She always goes by Noun and never goes by Noun.

Sometimes she will go by Noun, but only if the weather is Adjective.

She usually calls me on day of the week. She always says "question?" when I answer. "

question?" I ask. Sometimes she will tell me a Adjective story and I can't stop Verb -

Present Tense.
