## \*Ikuto's Violin ( Shugo chara.)\*

Chapter 1 -The \_\_\_\_\_  
Noun

He was very much like a restless stray cat, moving \_\_\_\_\_  
Adverb through the night shadows. It would have been impossible to keep up with him and at the same time remain undetected, had it not been me, accustomed to \_\_\_\_\_  
Adjective. I had been training to do that ever since I was a young girl, and now I had grown up , and was now \_\_\_\_\_  
Age years old. I had been spying on this subject for \_\_\_\_\_  
Amount of time now, and was becoming better at \_\_\_\_\_  
Action verb ing him while learning as much as I could about him. His name was Tsukiyomi Ikuto, age years old, the step son of \_\_\_\_\_  
Male first name \_\_\_\_\_  
Last name the director of \_\_\_\_\_  
Noun 1 Company.

Tsukiyomi had a small black cat named \_\_\_\_\_  
First name 2 who followed him around,. Ikuto's step father wanted him to be a part of the Company's latest efforts to find and capture \_\_\_\_\_  
Noun, but he gradually had become \_\_\_\_\_  
Adjective to his step father's wishes and had caused more trouble than help. And that made us enemies, because I was the newest employee. When I first moved to the neighborhood in the city that I live now, I had not known the lay of the land or the people I would be working with. I was from far far away. But I had learned very quickly and was now able to blend in with the crowd better than I could before. for most of the time I didn't show my true self to people, except those working for us.. Now that I knew the situations about the lives of those involved, I was ready to get into the more serious part of my job. Ikuto was not the only threat, however.

Another part to the threat involved a girl, Amu, who possessed \_\_\_\_\_  
Number guardian charcters. She was not someone to be underestimated and I did not intend to. Along with her, there were,, her 3 friends.. My job was keeping

Ikuto and Amu chan - from getting in the way of any of the plans. I did much of my work alone, but was in contact with the others assigned to my team when I needed to. While this was my job, other employees were searching for the. This job was working quite well for me , I was paid generously . And so far, ikuto and amu hadn't been disrupting anything. Though I watched ikuto a lot, I often kept watch on amu - also. But I also had a guardian named Kasumi. She was dressed in a black and purple ninja style dress, with fishnet tights. Her long hair was tied back in a bun and she wore a black headband. Her weapons were two swords. . When transformed my powers of \_\_\_\_\_ Adjective \_\_\_\_\_ were extraordinary, allowing me to become virtually unseen . Right now I was in this form. I was following Tsukiyomi around trying to ignore how bored I was tonight. Sometimes it got \_\_\_\_\_ Adjective \_\_\_\_\_ following the same guy time after time. Tonight he wasn't doing much just \_\_\_\_\_ Verb ending \_\_\_\_\_ in ing \_\_\_\_\_ and wandering the city streets and alleys with \_\_\_\_\_ Same as first name 2 \_\_\_\_\_.

"Ikuto, I'm hungry, nya!"; said \_\_\_\_\_ Same as first name 2 \_\_\_\_\_ the cat. "Let's go to \_\_\_\_\_ Type of store \_\_\_\_\_ shop!";

"No, \_\_\_\_\_ Same as first name 2 \_\_\_\_\_ we have somewhere else to go right now. I need new \_\_\_\_\_ Plural noun \_\_\_\_\_ for my violin."; Ikuto said. I was following close behind them, and was very much invisible to them. Neither Ikuto nor Amu had ever seen me before, and that was how I intended to keep it. I stopped and did not follow them in when Ikuto and yoru walked into the \_\_\_\_\_ Noun \_\_\_\_\_ shop. "That might take them a while, so I'll just go to the \_\_\_\_\_ Noun \_\_\_\_\_ joint nearby. Before I entered I changed from my ninja form back into my true self. I wore a purple plaid dress, and a black \_\_\_\_\_ Noun \_\_\_\_\_ which I often used when in my true form. A long time later, when Kasumi

and I were full of \_\_\_\_\_<sup>Noun</sup> I was outside the violin shop. Ikuto and \_\_\_\_\_<sup>Same as first name 2</sup> finally walked out of the shop, and I thought, I hope they go home soon. But they kept walking down the street until they reached the nearby \_\_\_\_\_<sup>Place 1</sup>. Ikuto walked to an area that was an outdoor \_\_\_\_\_<sup>Noun</sup> with a stage. What is he doing now? I thought. He took his \_\_\_\_\_<sup>Noun</sup> out of its case, and lifted it to his chin. I groaned and sat myself down on a \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Noun</sup> but not too close to where he was.

\_\_\_\_\_<sup>Girl's name 1</sup> what are we doing here?"; asked Kasumi. She had said my real name, which was \_\_\_\_\_<sup>Same girl's name 1</sup> but here I went by the name Rin. I pointed to Ikuto and noticed he had just started playing a song. Kasumi looked at him, and then back at me, hands on her hips. Her shiny hazel eyes glared at him, and then glared at me. "But \_\_\_\_\_<sup>Same girl's name 1</sup> we're so tired of following this \_\_\_\_\_<sup>Insulting name</sup> around! Can't we go now? Can't we go out and have some fun?"; I shook my head at her. "No, after this we are going home. Tomorrow is our day off, we can go then. I'm too tired to go anywhere else."; I said. "Alright."; She pouted, but then disappeared into my purse. This was the first time I had heard him playing the violin, I had known that he had one, but never seen him play it. The song he was playing sounded \_\_\_\_\_<sup>Adjective</sup> but a bit \_\_\_\_\_<sup>Adjective</sup> of course I didn't think anything special about it. I sat there a while hoping this wouldn't last too much longer. I thought about what I could do tomorrow on my day off, happy I wouldn't be following you know who. I sat there staring off into space listening to the violin and the sound of the summer insects chirping. That was the last thing I remembered of that moment. I fell asleep.

I was sleeping peacefully when I felt something shaking me. I opened my eyes to see a dark haired guy with lavender eyes. It was Ikuto! I started violently shaking myself trying not to \_\_\_\_\_ Verb \_\_\_\_\_. I looked at myself and saw that I was not in my disguise but was in my \_\_\_\_\_ Adjective \_\_\_\_\_ form. I noticed it was still dark. "Excuse me miss, but what are doing out here sleeping on a \_\_\_\_\_ Noun \_\_\_\_\_ in the middle of the night?"; he said.

"Ah! What time is it!"; I shrieked. "It's 3 am."; \_\_\_\_\_ Curse \_\_\_\_\_ This can't be happening! I thought. I \_\_\_\_\_ Past tense verb \_\_\_\_\_ up quickly and braced myself, trying to calm down. "What were you doing sleeping on a park bench?"; He asked again. "What? Oh I must have been drunk and got \_\_\_\_\_ Past tense verb \_\_\_\_\_ on my way home."; He leaned in close to my face and \_\_\_\_\_ Past tense verb \_\_\_\_\_ me. "You don't smell like alcohol."; He said. On Instinct, without thinking I slapped him across the \_\_\_\_\_ Body part \_\_\_\_\_ for crossing my you're getting too close boundary. Anyway, I've got to go home now."; I turned around and \_\_\_\_\_ Past tense verb \_\_\_\_\_ away as quickly as I could from him, but this time, I wasn't fast enough. He grabbed my \_\_\_\_\_ Body part \_\_\_\_\_.

"So not even a thank you for waking you up? You don't look like someone from around here. What's your name?"; He asked.

I wanted to yell at him none of your business, but I didn't want to arouse his suspicion any further. "My name's \_\_\_\_\_ Girl's name \_\_\_\_\_. Yeah sure, thanks kid,, but i need to go \_\_\_\_\_ Present tense verb \_\_\_\_\_ right now!"; I lied, coming up with

another fake name. I couldn't have him know my real name . "If you're so lost, then how are you going to find your way home?I could \_\_\_\_\_Present tense verb\_\_\_\_\_you..";

"No, I don't need any help!"; I quickly freed my \_\_\_\_\_Body part\_\_\_\_\_from him without even a thought, and was running home as fast as I could.I was still agile enough in my regular form to escape quickly
