shank, chloe and court

It was a day of the week night and SHANK, CHLOE and COURT wanted to go clubbing at Club name. SHANK and Chloe didn't like Court at all because of her Adjective nick name and they wanted Kurt Coleman to join their trio and kick out court so they could become the dream team. Shank and Chloe had really Adjective body con clothing on and they looked Adjective, but Court looked like Adjective. Court was wearing a name of cheap shop clothing that looked like a Adjective sack, and she used Adjective greylicious nail polish for her makeup. Shank and chloe decided to go the beach to meet kurt coleman who was Verb - Present ends in ING the waves while taking Noun - Plural. court didn't want to Verb - Base Form down onto the beach because she didn't want her aldi ballet flats to get ruined, so shank and chloe just left Adjective court there, and they rode the waves with kurt coleman to their destination.
