# When you are in love...

When you are in love...

You greet each day with a/an \_\_\_\_\_ in your heart and a/an \_\_\_\_\_ on your face.

You see the whole wide \_\_\_\_\_ through rose-colored \_\_\_\_\_ and loving  
\_\_\_\_\_.

You walk by a babbling \_\_\_\_\_, spontaneously remove your shoes, roll up your \_\_\_\_\_, sit  
down and dangle your \_\_\_\_\_ in the sparkling \_\_\_\_\_.

You find someone who is the \_\_\_\_\_ to your \_\_\_\_\_.

You love someone like \_\_\_\_\_ loves \_\_\_\_\_.

If you are in a \_\_\_\_\_ room you can only see your one and only \_\_\_\_\_ love.

Your \_\_\_\_\_ skips a \_\_\_\_\_.

Every time you see your love you get \_\_\_\_\_ in your \_\_\_\_\_.

Most of all you are \_\_\_\_\_ over \_\_\_\_\_, happy as a/an \_\_\_\_\_ and excited  
to spend \_\_\_\_\_ with your \_\_\_\_\_.
