24. Noun

When you are in love...

When you are in love...

You greet each day with a/an Proper Noun in your heart and a/an Proper Noun on your face.

You see the whole wide Proper Noun through rose-colored Proper Noun - Plural and loving
Part of your body.

You walk by a babbling Noun, spontaneously remove your shoes, roll up your Noun - Plural, sit
down and dangle your Part of your body in the sparkling Noun.

You find someone who is the Noun to your Noun.

You love someone like Famous Person loves Food.

If you are in a Adjective room you can only see your one and only Adjective love.

Your Part of your body skips a Noun.

Every time you see your love you get Animal in your Internal Organ.

Most of all you are Part of your body over Part of your body, happy as a/an Animal and excited
to spend Length of time with your Noun.
