# Somewhere in Stockholm

That's me right there on the \_\_\_\_\_ Noun \_\_\_\_\_, listening to Wu in my \_\_\_\_\_ Proper Noun \_\_\_\_\_

Neon lights hit the \_\_\_\_\_ Noun \_\_\_\_\_, reflecting the \_\_\_\_\_ Noun \_\_\_\_\_ I'm lost in

That's me right there on the \_\_\_\_\_ Pronoun \_\_\_\_\_, I one day would be \_\_\_\_\_ Determiner \_\_\_\_\_

For a dream that I didn't have, that I'd one day would believe in

Strange how the same place I ran from's the same place I think of whenever the chance comes

It's inevitable cause wherever I go

I hear \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ of a thousand screams

As I lay me down to sleep

There's a black hole deep inside of me

Reminding me, that I've lost my \_\_\_\_\_ Preposition or subordinating conjunction \_\_\_\_\_

Somewhere in \_\_\_\_\_ Determiner \_\_\_\_\_

I lost my backbone, somewhere in Stockholm

I'm from a place where we \_\_\_\_\_ Verb \_\_\_\_\_, openly show our \_\_\_\_\_ Determiner \_\_\_\_\_

We drown our sorrows in bottomless \_\_\_\_\_ Adverb \_\_\_\_\_ and leave them to float in the ocean

I'm from a place where we never, separate people from people

Some generalize, but in general I still believe that we are treated as equals

My

father, my mother, my sister, my brother, my friends and my family's there

My hope and my money, my innocence in a sense, almost lost everything here

Right where I was Pronoun, is right where I'll be found Pronoun

These streets are my Adverb, until I get back Preposition or subordinating conjunction

I hear echoes of a thousand Noun

As I lay me down to sleep

There's a black hole deep inside of me

Reminding me, that I've lost my Coordinating conjunction

Somewhere in Noun - Plural

I lost my Verb - Present Tense, somewhere in Pronoun

I'm not alone, I am the fire that burns not in the city, but out in the burbs

A river that's dying of thirst, I am a reverend lying in church

A crack in the pattern, a miracle waiting to happen

A promise that never was kept, one of those moments you'll never forget

I am that feeling inside the one we all know but can't really describe

I am the blood spill, but I'm in love still

Somewhere

in Stockholm, but I'm not alone

Don't have to get by on my own, I'm finally home
