The Great Normie

One day, some stupid variant of a autistic person was typing on his some technology thingy i dont know and then some stupid NORMIE came in and said how the something offensive and something offensive so then he got variant of mad and then he sprayed snot boogers or poop out of his nose or butt all over the NORMIE and then the normie SCREAMED and the stupid variant of a autistic person 's dad came in and REKT him by doing the sofa dance. The autism was so bad that the puppy monkey baby said "variant of
screw this im out" and then jetpacked away.
