Dear Muh

I'm sorry for stressing you out with my hints this past week. I know you hate surprises (but I love them :) On March 25th you will be traveling approximately First Hint miles to Pittsburgh. I'll meet you there. We are gonna see this band perform, they're not that big so idk if you will even know them, from their name I think they sing about Fifth Hint animals? Anyway, we will be sitting in section Second Hint of the Third Hint (Litz informed me this is what they call their arena). Fourth Hint PM sharp!

Love,

Luke :-)

P.S. We are staying with Mikaela

P.P.S. The bands name is Sixth Hint Sixth Hint Sixth Hint.
