# Curious George Makes a Scene

George was normally a very [\_\_\_\_\_ Adjective \_\_\_\_\_] little monkey, but today, he was a [adjective] monkey. The man in the yellow hat was taking him to the [noun]. When they got to the [noun], George saw a [adjective] [noun]. He rushed over and looked at it [adverb]. The [noun] looked back up at him as if to ask for help! George rushed back to the [noun] to find warm [plural noun], a [color] [noun], and [number] [plural noun]. Bill saw the problem and tried to [verb] George. "That won't solve your problem George! You should use a [noun] instead. Then George had an idea. Bill could help him build a [color] [noun] for the [noun]! [exclamation]! The [noun] was so thankful and [verb] and [verb] all day long. It was a great trip to the [noun] and after helping a friend, George felt like a [adjective] again.
