We decided to take my little sister and her friend \_\_\_\_\_<sup>Verb - Present ends in ING</sup> out there. My mom made her \_\_\_\_\_<sup>Noun</sup> and my sister and her friend \_\_\_\_\_<sup>Verb - Past Tense</sup>. It was getting late so we decided that was enough. We ate at \_\_\_\_\_<sup>restaurant</sup> and began the long drive home. When we were on the freeway, a \_\_\_\_\_<sup>Noun</sup> was \_\_\_\_\_<sup>Verb - Present ends in ING</sup> right next to us and the \_\_\_\_\_<sup>job</sup> was wearing a \_\_\_\_\_<sup>clothing article</sup>, staring right at us. Everybody started to \_\_\_\_\_<sup>Verb - Base Form</sup>. \_\_\_\_\_<sup>write either a or the</sup> looked ahead and \_\_\_\_\_<sup>Verb - Past Tense</sup> past us.
