What makes me happy?

Hello, my name is name and I want to tell you what makes me happy. I feel happy when I wear my favorite color shirt and bright color shoes. I feel happy when my mother takes me to get Noun ice cream! My favorite flavor is Noun ! I also feel happy when I get to see my Adjective friends. We like to play sports together! Our favorite sports are sport , sport and sport . It is so much Noun to play with my friends. One other thing that makes me happy is when I read Noun - Plural . I love to read Adjective fantasy stories! They are so Adjective but can sometimes be a little Adjective . I love feeling happy!
