Amber

That night I _____ for the first time since I had lost the _____. I _____
_____ about the _____. _____ was standing in the middle of a _____, singing.
And as _____ sang, _____ began to fall. I could see the place where each _____
fell, but instead of turning the color I thought wet _____ should be, the spots _____ to
molten _____. Soon the _____ was covered, drenched in _____. It was dripping from
his _____, his _____, his _____...
