# A Regular Day

Dear \_\_\_\_\_  
Proper Noun,

I'm \_\_\_\_\_  
Adjective you came to my student-led conference and if \_\_\_\_\_  
Proper Noun was here, he wouldn't read this, so thanks for \_\_\_\_\_  
Verb - Present ends in ING it. I'm supposed to tell you about my day so here it is.

Depending on what day it is, I either get here at \_\_\_\_\_  
Number:00 or \_\_\_\_\_  
Number:30. If I have jazz band, I go there or I hang out with \_\_\_\_\_  
Proper Noun. My options are pretty \_\_\_\_\_  
Verb - Present ends in ING and I don't like driver's ed, but it's almost done.

At lunch, I sit with \_\_\_\_\_  
Proper Noun and \_\_\_\_\_  
Proper Noun, then either go \_\_\_\_\_  
Location or to the \_\_\_\_\_  
Location, depending on the weather. After school, I practice \_\_\_\_\_  
Verb - Present ends in ING, do \_\_\_\_\_  
Noun, practice \_\_\_\_\_  
Noun - Plural, and \_\_\_\_\_  
Verb - Base Form, but not all in one day. (usually)

I like all my subjects, but I'm really enjoying social studies where we are studying the \_\_\_\_\_  
Noun. In LA, we are doing a \_\_\_\_\_  
Adjective story unit. In science, we were studying the \_\_\_\_\_  
Noun, but now we're working on \_\_\_\_\_  
Noun - Plural and in math we are doing percents, rates, and ratios.

\_\_\_\_\_  
Noun and \_\_\_\_\_  
Noun are my least favourite subjects, so I know I must be a disappointment to you and \_\_\_\_\_  
Proper Noun. I enjoy \_\_\_\_\_  
Noun, but I'd rather be \_\_\_\_\_  
Verb - Present ends in ING or out doing something exciting. My goal is to think more \_\_\_\_\_  
Adverb and and just be more \_\_\_\_\_  
Adjective.

Thanks

for coming. It was really \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_, but that's okay because I'm your \_\_\_\_\_<sup>Adjective - Ends in EST</sup>\_\_\_\_\_ child

!!

Love, \_\_\_\_\_<sup>First Name of a Person</sup>\_\_\_\_\_
