Dearest \_\_\_\_\_ Proper Noun - Plural & \_\_\_\_\_ Proper Noun - Plural,

Thank you so very much for coming to my student-led conference. And although I will be in Florida whilst you should be reading this, I will explain everything I would most normally do in the everyday life of me.

I start the day off with a cuppa \_\_\_\_\_ Noun, then arrive at \_\_\_\_\_ Noun rather late. I usually rush to my locker, grab the things needed, and go to my first class. This month, we have options in the morning. My favorites include; \_\_\_\_\_ Event \_\_\_\_\_ Event, \_\_\_\_\_ Event, and \_\_\_\_\_ Event. Except, you already know that. The periods switch in twos, Math-Science, Language Arts-Social. I rather like how they are organized, it makes it more \_\_\_\_\_ Verb - Present ends in ING.

Out of all my core subjects, L.A and Math are my favourites. Since I \_\_\_\_\_ Adjective to write, L.A is one of my best subjects, whereas \_\_\_\_\_ Event is more complicated and makes me think, which is also fun. But you know, I extremely enjoy all my other cores, since I have great teachers and the lessons are informative.

After Math and Science, it's lunch. Where I normally go to the \_\_\_\_\_ Noun to read, study or hang out with ma  
\_\_\_\_\_ Proper Noun - Plural. When the bell has rung, I spend my reading period time to go to precision

\_\_\_\_\_ Verb - Present ends in ING,

where I help \_\_\_\_\_ Noun \_\_\_\_\_ with reading skills and how to pronounce words. It's pretty fun, oddly.

When my afternoon classes are done, I go to my locker, talk with \_\_\_\_\_ Proper Noun \_\_\_\_\_ for a bit, then go outside to get a ride from you. You know this Mum. When I'm home, I have a lovely talk with you, finish up daily homework or study, then spend the rest of my time \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ or watching YouTube.

This year, I have a few goals. Most importantly, to get \_\_\_\_\_ Verb - Base Form \_\_\_\_\_, so I can qualify for \_\_\_\_\_ Adjective \_\_\_\_\_ placement. Secondly, I wish to do well in art, exploring different medias, trying mediums I don't normally use. I just really want to extend my \_\_\_\_\_ Noun \_\_\_\_\_ skills.

Thank you so much for listening to me ramble, and another for coming to my conference. This isn't the best letter, nor is the topic extremely \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_.

Such Love,

\_\_\_\_\_ Proper Noun - Plural \_\_\_\_\_.
