What a Bad Day!

There once was a Noun named First Name of a Person who was walking down a location and fell on his Adjective Part of Body and Verb - Past Tense . He went to his house, up to his room, and same past tense verb because he fell. When he was done same verb ending in ING , after Number amount of time , he left his room to go (1) Location and play video Noun - Plural . As he was going (1) same location , he fell down again on his Adjective Part of Body . He yelled " exclamation exclamation !" as he fell. That is why you should sleep more than 2 hours every night.
