## What "America is nisht andersh" means:

When the Friedker Rebbe came to \_\_\_\_\_State\_\_\_\_\_ you would think that America is very different from \_\_\_\_\_State\_\_\_\_\_, But no the Friedker Rebbe is trying to tell us that were all on the same \_\_\_\_\_Noun\_\_\_\_\_. It doesn't matter if your across the \_\_\_\_\_place\_\_\_\_\_, or isolated in Atlanta were all here to the same thing. So the Friedker Rebbe was in America not to run away from the \_\_\_\_\_Noun\_\_\_\_\_, but to rather strengthen \_\_\_\_\_Noun\_\_\_\_\_.
