# I regret this crush

I regret this crush I used to have. \_\_\_\_\_ he or she had \_\_\_\_\_ Adjective hair and \_\_\_\_\_ Adjective teeth. They also likes to wear \_\_\_\_\_ Adjective, baggy \_\_\_\_\_ clothing that make him look like a \_\_\_\_\_ occupation and they would always have lots of \_\_\_\_\_ Noun - Plural in their bag, and they liked to \_\_\_\_\_ verb them with me. He was so \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective. I will never forget the time they told me I had \_\_\_\_\_ Adjective \_\_\_\_\_ body part and \_\_\_\_\_ Adjective \_\_\_\_\_ body part. So rude.
