6. Verb - Past Tense

Adam's Mad Lib

On a stormy night I had a _____^{Noun} on my face even though I was failing at sailing. Usually being on a boat is a _____^{Adjective} feeling. Like I'd imagine it feels like to be a dancing kitten. _____^{Pronoun} fur flying through the air with such skill. All of a sudden I was _____^{Verb - Past Tense} in the head by the mast. I used to think it looked like the thin _____^{Noun} of a new branch, but after getting hit I'm starting to rethink that opinion. Right after that, water _____^{Verb - Past Tense} over the sides and I decided that maybe I should bail on this whole sailing thing.
