Open Valhalla's door

Let the battle begin

with swords in the wind

Sons of Odin we four...

By the hammer of Thor!

Ride down from the sky...

Another is born

Another shall fall

This day men will die!

Hail Gods of War

Let the battle begin with swords in the wind

Hail

Gods

of War!

...Onward into the heart of battle

Fought the sons of Odin

Outnumbered many times

Still

they fought on

Blood poured fourth from their wounds

Deep into the earth

Vultures waited for the broken shells

That once were bodies

But Odin alone would choose the day

They would enter Valhalla

And in their hour of need

He sent forth unto them The Berserker Rage

Now gods and men

They rose up from the ground

Screaming like wild animals

Such is the gift of absolute power

No blade or weapon would harm them

They killed them and horses alike

And all who stood before them died that day

Hail Gods Of War!
