MadLib your own Creation Story Final

In the beginning there was nothing but _____ Noun _____. Suddenly there was a great _____ Adjective _____ of _____ Noun _____ and _____ Name One _____ appeared. Repeat Last Name One _____ stretched out it's _____ Noun - Plural _____, and from them the universe as we know it was created. Repeat Last Name One _____ decided it wanted to create on a planet, _____ Planet Name _____ so it came to _____ Planet Name _____ and said "I want _____ Noun- something good _____," and Repeat Last Noun- something good _____ appeared. Repeat Last Name One _____ continued to do this creating everything good we know until it grew _____ Adjective _____ and left Repeat Last Planet Name _____. While Repeat Last Name One _____ had left Repeat Last Planet Name _____ it's _____ Family Role _____ Name Two _____ appeared, Repeat Last Name Two _____ was the exact opposite of Repeat Last Name One _____ in every way. Repeat Last Name Two _____ saw all of Repeat Last Name One _____'s creations on Repeat Last Planet Name _____ and grew very _____ Adverb _____, so it raised it's _____ Noun - Plural _____ and said "you have _____ Noun- Something Bad _____" and Repeat Last Noun- Something Bad _____ appeared. Repeat Last Name Two _____ continued creating everything bad we know until it grew _____ Adjective _____ and left Repeat Last Planet Name _____. Repeat Last Name One _____ and Repeat Last Name Two _____ never again returned to Repeat Last Planet Name _____, because of their dislike for each others creations, and that was how Repeat Last Planet Name _____ was created.
