Why google is watching you

Google seems at the surface like a	Adjective compar	y. But in reality they're as	Adjective Adjective	as ever
Google saves your stuff and have no _	Verb - Present Tense	it to	Noun - Plural	_
companies.				
Your Noun and Verb - Past 1	Participle is sent to	for cash, a	nd they start	
ads everywhere you	Preposition or subordinating	conjunction often.		
So they might be the bestCoordinatin	ng conjunction F	ronoun, but they are ju	st as Noun	as the
rest.
