if i were a boy

If I were a boy or girl

Even just for a time frame

I'd roll outta furniture in the morning

And Verb - Base Form on what I wanted and go

Drink liquid with the girls or guys

And chase after girls or guys

I'd Verb - Base Form it with who I wanted

And I'd never get Verb - Base Form for it.

'Cause they'd stick up for me.

[Chorus]

If I were a boy or girl

I think I could Verb - Base Form

How it feels to love or hate a boy or girl

I swear I'd be a better man or woman.

I'd ignore or listen to her

'Cause I know how it hurts

When you lose or keep the one you wanted

'Cause

he's taken you for granted

And everything you had got saved or destroyed
