My Nurse is the Best!

I have this nurse named First Name of a Person. Every day that I see First Name of a Person is working my Part of Body starts to Verb - Base Form. I just can't help it, they are the Adjective - Ends in EST dang nurse I've ever had! One time, Proper Noun - Plural couldn't get the Noun in my Part of Body for my treatment and she had to Verb - Base Form for help! It was Adjective. Even when I'm feeling Adjective, First Name of a Person is there to Verb - Base Form me up or give me a shoulder to Verb - Base Form on. One time she brought me a Noun and man did I love that thing! First Name of a Person works her Part of Body to the bone to keep me Adjective and Adjective and I just can't Verb - Base Form her enough. If ever First Name of a Person is not Verb - Present ends in ING, I look for a replacement but I just can't find one. There really is no nurse who could work better than First Name of a Person. My Noun beep, and there First Name of a Person is, ready to take charge! Need my Noun fluffed? First Name of a Person is on it! Need to scratch my Part of Body? First Name of a Person is on it! Thank you First Name of a Person, from the bottom of my Heart, for being the best nurse out there!
