Sun City Girls - X+Y= *beep* You (1994)

I come from the Noun of the earth

in the language of after death and before birth.

The man with the Adjective Noun in his back pocket

came closer to city than the supposed Number billion

inhabitants on Planet Earth circa Year when Number billion

 religion plural died in an "EAT MY HOLACAUST"

when he put it all on red one Adjective night in

Vegas and it came up blacker than the Noun of Noun

earrings worn by the princess of Phnom Penh while

the court practiced Verb - Present ends in ING nationality generals'

colonial skulls into canopic jars made from Adjective

urns in Bombay by the religion diasporadics who

became porcelain emperors from the profits of home-grown

Earl Moghal tea which was made if you may wonder from

the tender Noun - Plural of famous comedians' Noun - Plural because the

Iroquois tribe didn't take to hell the notion that piracy was

at its peak in the early 20th Century off Noun Island,

sounding all too coincidentally similar to an old

Richard

Harris Noun, Verb - Present ends in ING on a 78 phono player

in the droop bend of the Red leather pantheon bar.

Since the year year will be the year of the future the

past isn't what it's going to be for all Sinhalese

Noun blowers hopped up on amyl nitrate Verb - Present ends in ING

the highway from hell to breakfast at the speed of

vomiting excrement or forever hold your peace trains

O.J. Love Boat Breakfast Chariots of mired in the mud

autobiographically speaking how the Noun has no dame

to call and say I drug you for the association if the

enhancement of mallard rubles, cube steak also has a vision

of Siamese disgusting liquide bouncing into limos from Salvation

Army Christmas bells autographed by Hans Muslim

Andersen. While the balloon full of money floats ever

closer to the outwretched palm trees dripping with

disgusting liquide floss between your thief and a card face....

The Jack of Plutonium to be precise is towards that

elusive garlic bulb necklace around Fela Lugosi's

Richard Speckled murder scarf up the feces split into

through

the capital of Lemuria is Antarctica City with
a primate marsupial population of minus Number below
Spiro Agnew of Copperopolis wheel of torture fame
catapulted his thyroid blandly upon the ruler of the Wong
Dynasty, but Monty Hall wasn't pleased with Pat hijacking
that Vanna-American flight to the pituitary gland of Max's
Convenience Market or to end-all obtusity radio marti-
McGraw due to the lion of Zimbabwe being the only race
nationality on the planet, skirt around the muletide,
spruce up your glass colon, where a mere comma doesn't
stop the Verb - Present ends in ING, for an appointment please squat in
the street. Quit your grinnin' or drop your linen
because the friends at channel eight are watching
Westinghouse watch you are the church, I am the
steeple open it up and see all the people fighting
with margarine moustaches and machete-wielding Moors,
who if victorious at the Battle of Tours would've set
up a bowling alley in city where the freshly
beheaded faces would knock down freshly pruned legs,
cut

above the kneecaps, STRIKE. Three little figs are
mine, I eat them all the time, to feel the things I
shouldn't, and to flap the wings I couldn't. Do you
understand rhythm as it's crawling along your spine?
Can you drink Burmese-produced champagne as a dead-again
Christian falls from the sky? It's rainin' Satan. Do
you understand granite as you grab it with your right
hand cuz you up tryin' to Verb - Base Form? If you were
a hundred Noun - Plural all rolled into one would you cut
your giant tail off or sweep through Wall Street? Crank
your soul up about six notches where the sun becomes
your Part of Body. Don't forget to leave me out of your
memory, I've had enough of your thoughtless dung.
Thunder of wit, tall, etcetera. I ran over my preacher
in my Buick Elektra cuz God came down and he talked to me
and opened the gates to set me free and I stain the
land from sea to shining sea and there once was a man
in a bucket, so God put a straw in to suck it, but
there also was someone who kicked the bucket and lived
to

tell God to go F**K IT. If you can comprehend
polyrhythmic murder to the tune of ignorance is bliss,
you know there will never be a critic who will
ever be qualified to critique this.
