There are	Noun - Plural	_ in my	Proper Noun	_ from	Verb - Present ends in ING	on the floor. I don't
know why I w	as on the floor.	I don't even	know where l	I am. I wen	t to sleep last night in m	ny <u>Noun</u> , but
then I woke up	here. This the	fourth time	this month tha	at I have wo	oken up in a strange plac	ce. This is, however,
the first time t	hat I have	Verb - Past Tense	up in a p	olace that I	have never been to or se	een before. I see now
that this is a pr	roblem. Especia	ally because	there seems to	be no plac	ee out of this room.
