When Bob finished he gave the postman the letter and went back inside. The postman's next stop was 25 working lane where he delivered to Mr. mswoom a letter about his work and how it might go bankrupt. Mr. muswoom went crazy and started scribbling a letter on a paper. when he was done he handed the note to the postman and closed the door. The postman's next stop 88 buying lane where he gave matt the muswoom his letter. The letter was an advertisement for expensive muswoom things inc.
