# Colourful Bread

One normal day in Pakalaya street, I was \_\_\_\_\_ Verb - Present ends in ING to the \_\_\_\_\_ Place to get some \_\_\_\_\_ Adjective bread. It was time for a change, because I had \_\_\_\_\_ Verb - Past Tense the same old bread so many times. I walked past the \_\_\_\_\_ Noun that said " \_\_\_\_\_ Same place " and I \_\_\_\_\_ Verb - Past Tense straight in.

A \_\_\_\_\_ Noun \_\_\_\_\_ Verb - Past Tense when I \_\_\_\_\_ Verb - Past Tense in the \_\_\_\_\_ Noun. I pat the \_\_\_\_\_ Noun in my \_\_\_\_\_ Piece of clothing and I look at all the choices of bread. A \_\_\_\_\_ Adjective man called Papa Paka ran in and said " \_\_\_\_\_ Greeting, hello! What would you like?" He's such a jolly \_\_\_\_\_ Adjective \_\_\_\_\_ Noun. I said "I would like some \_\_\_\_\_ Adjective pure bread please." He runs out and brings me a pure-bred \_\_\_\_\_ Type of dog. "This what you want?" I laugh and say "BREAD! Not pure-bred like a \_\_\_\_\_ Noun!" We both \_\_\_\_\_ Verb - Base Form and Papa Paka walks out with his \_\_\_\_\_ Adjective \_\_\_\_\_ Same type of dog. When he's out of the \_\_\_\_\_ Noun, I look at all the \_\_\_\_\_ Adjective bread options. I find some pure bread and Papa Paka \_\_\_\_\_ Verb - Present ends in S in. "So, have you chosen anything?" he asks. "Yes, I have! This bread please." I say, \_\_\_\_\_ Verb - Present ends in ING to the pure bread in the corner. He \_\_\_\_\_ Verb - Present ends in S and \_\_\_\_\_ Verb - Present ends in S over to it. "This one, eh?" he asks. He \_\_\_\_\_ Verb - Present ends in S, and \_\_\_\_\_ Verb - Present ends in S it over to the \_\_\_\_\_ Noun. "Would you like this delivered to your \_\_\_\_\_ Noun every day, or would you want to buy it separately? Separate is \$3.99 each, \_\_\_\_\_ Adjective deliver is \$9.99 per \_\_\_\_\_ Noun." I ask for \_\_\_\_\_ Same adjective deliver and give Papa Paka the \_\_\_\_\_ Noun. He \_\_\_\_\_ Verb - Present ends in S and gives the bread to me. "Bye!" we say to each other as I \_\_\_\_\_ Verb - Base Form.

I take the bread home and go to take it out of the packet, but when my \_\_\_\_\_ Part of Body plural touch it, the bread changes colour! First I changed a slice of bread \_\_\_\_\_ Colour, and then \_\_\_\_\_ Colour, and then \_\_\_\_\_ Colour.... Every time I touch it, it changes to a completely different colour! I wonder if the colour makes the \_\_\_\_\_ Noun change. I make it rainbow bread, but it doesn't change the taste at all. It doesn't matter though, because it's still \_\_\_\_\_ Adjective bread!
