The Fight

The stare continued, and Tom refused to budge. How could he do otherwise? Looking away
would destroy his principles, would forfeit everything he was as a person couldn't let this
injustice stand. Pronoun knew better, interjection! How long had they been married now? How
could do this to him?! With a powerful swipe he the top down and
grunted, still staring, still Tonight, they would have words. Tonight, they might get
divorced. Tonight, Tom would make it plain that nobody - NOBODY - put on his god-be-damned
ham sandwich.
