My secret party (not real)

One time I was hiding something from my parents I was having a party well they are on a date I invited Eva						
Gavin jack Harry max and Bryson I'm a boy too sand my name is jack and I'm fifteen Eva is my girl friend one						
my parents away the party started every one was like WILD BOORS my do						
Sam started towards me and hurt me and I broke my arm Eva said wow I am fragile so we						
called my parents and I was grounded for the rest of the year
