A Night Out

It was finally time for the Event. I was so Emotion!

I slipped into my Colour Item of clothing and grabbed my Object. Tonight was the night I

would finally ask First Name of a Person out - I would tell him how I feel about him, maybe during the slow

dance. We'd dance and then I'd Verb - Base Form him. I knew it would all go perfectly, so long as

First Name of a Person didn't show up.

There was a honk outside. When I peered through my curtains, I saw First Name of a Person waiting outside

in his Vehicle.

I hurried down the stairs and got in his Vehicle. We sped away, passing other vehicles at great speed, as

if he was in a real hurry.
