The Minions

I decided to write this because everyone loves the Minions, right?

Minions are Adjective but playful Adjective that want nothing from life but Fruit- Plural.

These Adjective guys wear Item of Clothing, Colour Item of Clothing, Colour

Item of Clothing and the well-known Colour Item of Clothing, with a pocket imprinted with a

Colour Letter. This represents their leader, First Name of a Person. They have

Colour skin and Colour hair with various styles. Some Minions are tall with two brown eyes

and a Adjective tuft of hair, like Kevin; some are medium-range with two brown eyes and stubbles of

combed hair, like Stuart; but the cutest are short with two multi-coloured (Colour and Colour)

eyes and no hair, like Adjective Adjective Bob.

First Name of a Person is an Adjective and Adjective born-leader, always looking out for

First Name of a Person. He puts other's lives in front of his own, even if it means growing giant and

swallowing a mega-missile.

First Name of a Person is the performer of the three, who loves his guitar and himself. Like all the Minions, he

adores bananas, but isn't as selfless as the others.

Last

but _____Number over one hundred_____ % not least, there's everyone's favourite, _____First Name of a Person_____!!! He's

everyone's best friend naturally, and loves to play. His only weakness is his emotional emotions.
