# SkyFox: A mix of 007 and Sonic

Tails returned from his laboratory in the Mystic Ruins. "With all the money people paid me..." Tails told Sonic, "I decided to go shopping!" He ran off to the Machinery Machinery & Beyond store... and spent half of his 5 thousand mobiums on a robotic Body Part, a Type of monitor, an all purpose Noun, some Prankster Pak Depower Shoes, 50 packs of Letter & Letter root beer and three kid-sized Fancy article of clothing. Tails returned home just Number between one and five hours before school. When school started, he had to go work on his secret headquarters, so he raised his hand and said: "Ms. Madeline?" Tails said. "Can i use the Location?" "Of course." Ms. Madeline said. Tails went outside and dug a hole near the Playground equipment. He made a room filled with the electronics he bought. Tails is a fast worker but skilled worker. He returned from the "bathroom" in just 5 minutes. The rest of the day was normal. After school, Tails asked Sonic if he could hang out with Cream the rabbit and Cheese the Chao (pronounced chow). "Of course" Sonic said. Tails knew sonic was going to take a shower, so he placed the robotic Body part you used above on the ceiling and put the Depower Shoes on the shoe rack. Then Cream and Cheese arrived, "Hi tails!" said Cream "Chao chao!" said Cheese. And while Sonic was taking a shower, Tails stole Sonic's shoes and ran off to have fun while Sonic was too weak to even Action used with feet a Badnik. Sonic knew what was going on. Sonic Punishment ending with ing Tails and sent Cream and Cheese home. But at the last second Tails ran and Verb to show affection ending with ed Cream. Cream blushed and hid in the bushes instead of going home.

Moral

of this story:

If you like to follow someone who's fast and you get jelly, buy your own speedy shoes.
