Student!

I walked into the Student Success Center looking for a place to _____ Verb and to meet with an

_____ Adjective

counselor. This was my first time there, so I felt nervous. I saw two of my friends when I entered so this

made me feel better. The _____ Noun area had modern seating that was very inviting. I noticed how open

and comfortable it was. Just then, a _____ Noun came up to greet me. I felt glad I had come

here!
