# DIRTY LAUNDRY

The phone rang But. I glanced at caller ID before picking up, it was Coleman .

"What's up babe?" I asked. Coleman rarely called me from work.

But he didn't answer. I could hear him breathing Adverb on the other side of the phone, but other than that he was completely silent. "Is everything okay?" I asked a little concerned.

Few long amount of time passed before he finally said: "I'll be home in an hour to f\*ck you."

He Verb - Past Tense off and was gone.

Did I hear that right? Took me a couple seconds to process this very Adjective three-sentence conversation. Did he just say he was coming home for a quickie?

Presumptuous on his part, I thought. Did he expect me to just Verb - Base Form everything and wait there for him naked by the door? I didn't think so. I was in the middle of laundry and sex was the farthest thing on my mind. I decided to call him back and tell him not bother coming home.

But as I started Verb - Present ends in ING towards the phone, his words suddenly replayed in my mind. "I'll be home in an hour to f\*ck you..." the sound of his Adjective voice making the words "f\*ck you" turn something

on deep inside of me this time around. My Part of Body twitched with a sudden surge of Adjective desire. Blood rushed to my Part of Body and my nipples turned hard in an instant. I became very aware of my cl\*t and how it Verb - Past Tense against the stitching of my jeans as I moved my legs forward to walk. I suddenly felt h\*rny.

I never made it to the phone. Instead, I Verb - Past Tense my hand inside my jeans and under my panties. I was surprised to find that my p\*ssy was already wet. I stuck my middle finger inside of it and started Verb - Present ends in ING it up and down my p\*ssy shaft, Adverb at first, but then gradually picking up the speed. I felt a Adjective urge to orgasm and let out a Adjective moan. It would only take me a couple of amount of time to do the job myself, but no -- I would wait for Coleman. I retracted the finger.

Needless to say, I couldn't concentrate on laundry any more. I Verb - Past Tense the laundry room door to spare myself the sight of dirty sheets and towels piled up on the floor. I felt the need to have some color wine (strange since it wasn't even lunch time yet) and poured myself a glass . Its usual color of deep same color looked Adverb light in the bright sunshine of the day.

I just love wine. Wine brings a lot of emotion into my life. Wine makes me Verb - Base Form like a teenage girl for no reason at all. Wine makes my food taste better, my clothes fit nicer, and my friends seem funnier.

But most important of all, wine makes me screw hard and it makes me screw dirty. Coleman really likes the dirty wh\*re that wine brings out of me and encouraged my passion for the beverage \_\_\_\_\_ *Adverb* \_\_\_\_\_.

I took the glass of wine with me upstairs and decided that a \_\_\_\_\_ *Adjective* \_\_\_\_\_ bubble bath would make for a great pre-sex activity. I \_\_\_\_\_ *Verb - Past Tense* \_\_\_\_\_ some lavender-scented bubble bath in the tub and turned the water on. I sat on the tub's ledge and watched the bubbles getting \_\_\_\_\_ *Adjective* \_\_\_\_\_ and \_\_\_\_\_ *Adjective* \_\_\_\_\_ while sipping on the wine.

I suddenly thought of a stash of pornographic magazines that Coleman "hid" from me in his office. I knew about them all along. He kept them in the \_\_\_\_\_ *bottom or top* \_\_\_\_\_ drawer of his desk \_\_\_\_\_ *above or under* \_\_\_\_\_ a pile of old racing forms. I often brought them out of hiding for my own pleasure, and used them as an aid while masturbating.

Nothing went better together than wine and porn so I decided to take a \_\_\_\_\_ *Adjective* \_\_\_\_\_ trip down the hall. I was back in just a couple of \_\_\_\_\_ *amount of time* \_\_\_\_\_. In my hand was a glossy magazine, its cover featuring some bimbo's \_\_\_\_\_ *Adjective* \_\_\_\_\_ t\*ts.

Not that I had anything against t\*ts. Woman's \_\_\_\_\_ *another name for breasts* \_\_\_\_\_ actually really turned me on and I often pictured \_\_\_\_\_ *Adjective* \_\_\_\_\_ bouncy ones during sex. Made my orgasms better. And this pair was particularly attractive.

Round and \_\_\_\_\_ Adjective \_\_\_\_\_, with large \_\_\_\_\_ color \_\_\_\_\_ circles for nipples.

I took my clothes off and \_\_\_\_\_ Adverb \_\_\_\_\_ got in the hot bubbly water. Had a big gulp of wine and swallowed it  
\_\_\_\_\_ Adverb \_\_\_\_\_. I felt \_\_\_\_\_ Adjective \_\_\_\_\_ almost instantly.

I reached for the dirty magazine and randomly opened it to a page depicting a young muscular man standing  
against a \_\_\_\_\_ color \_\_\_\_\_ background. Curly \_\_\_\_\_ color \_\_\_\_\_, down on her knees, was in a process of giving the  
man a bl\*w job -- his \_\_\_\_\_ Part of Body \_\_\_\_\_ deep inside of her mouth. The man was \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ at  
the back of the woman's head -- her hair messily \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ in between his fingers -- as if to stuff his  
\_\_\_\_\_ Part of Body \_\_\_\_\_ even deeper inside of her. The expression on his \_\_\_\_\_ Part of Body \_\_\_\_\_ was that of a near-  
orgasm which really turned me on. My dirty mind led me to imagine that he was just about to ejaculate inside the  
woman's mouth. I was very \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ by now if Coleman wasn't here soon, I would have to  
masturbate to release the enormous tension that suddenly built up around my pelvic area and my cl\*t.

But at last I heard the front door open. "I'm up here!" I yelled to Coleman as loud as I could.

He found me in a flash. Didn't question the bubbles, didn't ask about the wine, didn't even seem surprised to see  
me \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ one of his dirty magazines.

Actually

-- he didn't even say hi.
