# Sleeping Beauty

A \_\_\_\_\_ Adjective time ago there were a king and queen who were \_\_\_\_\_ emotion because they were childless. But it happened that once when the queen was \_\_\_\_\_ Verb - Present ends in ING, a \_\_\_\_\_ Animal crept out of the water on to the land, and said to her, "Your wish shall be fulfilled, before a year has gone by, you shall have a daughter."

What the \_\_\_\_\_ same animal had said came true, and the queen had a \_\_\_\_\_ Adjective girl who was so \_\_\_\_\_ Adjective that the king could not contain himself for joy, and ordered a great feast. He invited not only his kindred, friends and acquaintances, but also the wise women, in order that they might be \_\_\_\_\_ Adjective and well disposed towards the child. There were \_\_\_\_\_ Number of them in his kingdom, but, as he had only \_\_\_\_\_ Number \_\_\_\_\_ color plates for them to eat out of, one of them had to be left at home.

The feast was held with all manner of splendor and when it came to an end the wise women bestowed their magic gifts upon the baby - one gave \_\_\_\_\_ Noun, another \_\_\_\_\_ Noun, a third \_\_\_\_\_ Noun, and so on with everything in the world that one can wish for.

When \_\_\_\_\_ Number of them had made their promises, suddenly the thirteenth came in. She wished to avenge herself for not having been invited, and without greeting, or even \_\_\_\_\_ Verb - Present ends in ING at anyone, she \_\_\_\_\_ Verb - Past Tense with a loud voice, "The king's daughter shall in her fifteenth year \_\_\_\_\_ Verb - Base Form

herself

with a spindle, and fall down dead." And, without saying a word more, she \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ round and left the \_\_\_\_\_ room \_\_\_\_\_.

They were all \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_, but the twelfth, whose good wish still remained unspoken, came forward, and as she could not undo the evil sentence, but only soften it, she said, it shall not be death, but a \_\_\_\_\_ Adjective \_\_\_\_\_ sleep of a \_\_\_\_\_ Number \_\_\_\_\_ years, into which the princess shall fall.

The king, who would fain keep his dear child from the misfortune, gave orders that every spindle in the \_\_\_\_\_ Adjective \_\_\_\_\_ kingdom should be burnt. Meanwhile the gifts of the \_\_\_\_\_ Adjective \_\_\_\_\_ women were \_\_\_\_\_ Adverb \_\_\_\_\_ fulfilled on the \_\_\_\_\_ Adjective \_\_\_\_\_ girl, for she was so beautiful, \_\_\_\_\_ Adjective \_\_\_\_\_, good-natured, and wise, that everyone who saw her was bound to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ her.

It happened that on the very day when she was fifteen years old, the king and queen were not at home, and the maiden was left in the palace quite alone. So she went round into all sorts of places, looked into rooms and bed-chambers just as she liked, and at last came to an \_\_\_\_\_ Adjective \_\_\_\_\_ tower. She \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ up the narrow \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ staircase, and reached a \_\_\_\_\_ Adjective \_\_\_\_\_ door. A \_\_\_\_\_ Adjective \_\_\_\_\_ key was in the lock, and when she turned it the door sprang open, and there in a little room sat an old woman with a spindle, busily spinning her flax.

"Good day, old mother," said the king's daughter, "what are you doing there?"

"I am spinning," said the Adjective woman, and nodded her head.

"What sort of thing is that, that rattles round so merrily," said the girl, and she took the spindle and wanted to spin too. But Adverb had she touched the spindle when the magic decree was fulfilled, and she Verb - Past Tense her finger with it.

And, in the very moment when she felt the prick, she fell down upon the bed that stood there, and Verb - Base Form in a Adjective sleep. And this sleep extended over the whole palace, the king and queen who had just come home, and had entered the room, began to go to sleep, and the whole of the court with them. The Animal (plural), too, went to sleep in the stable, the Animal (plural) in the yard, the Animal (plural) upon the roof, the Animal (plural) on the wall, even the fire that was flaming on the hearth became quiet and slept, the food left off Verb - Present ends in ING, and the cook, who was just going to pull the hair of the scullery boy, because he had forgotten something, let him go, and went to sleep. And the wind fell, and on the trees before the castle not a leaf moved again.

But round about the castle there began to grow a hedge of thorns, which every year became higher, and at last grew close up round the castle and all over it, so that there was nothing of it to be seen, not even the

Noun

upon the roof. But the story of the \_\_\_\_\_ Adjective \_\_\_\_\_ Verb - Present ends in ING Briar Rose, for so the princess was named, went about the country, so that from time to time kings' sons came and tried to get through the \_\_\_\_\_ Adjective \_\_\_\_\_ hedge into the castle. But they found it impossible, for the thorns held fast together, as if they had hands, and the youths were caught in them, could not get loose again, and died a \_\_\_\_\_ Adjective \_\_\_\_\_ death.

After long, long years a king's son came again to that country, and heard an \_\_\_\_\_ Adjective \_\_\_\_\_ man talking about the thorn hedge, and that a castle was said to stand behind it in which a wonderfully \_\_\_\_\_ Adjective \_\_\_\_\_ princess, named Briar Rose, had been asleep for a hundred years, and that the king and queen and the whole court were asleep likewise. He had heard, too, from his \_\_\_\_\_ family member \_\_\_\_\_, that many kings, sons had already come, and had tried to get through the \_\_\_\_\_ Adjective \_\_\_\_\_ hedge, but they had remained sticking fast in it, and had died a \_\_\_\_\_ Adjective \_\_\_\_\_ death.

Then the youth said, "I am not afraid, I will go and see the \_\_\_\_\_ Adjective \_\_\_\_\_ Briar Rose." The \_\_\_\_\_ Adjective \_\_\_\_\_ old man might dissuade him as he would, he did not listen to his words.

But by this time the hundred years had just passed, and the day had come when Briar Rose was to awake again. When the king's son came near to the thorn hedge, it was nothing but large and \_\_\_\_\_ Adjective \_\_\_\_\_ flowers, which parted from each other of their own accord, and let him pass unhurt, then they closed again behind him like a hedge. In the castle yard he saw the \_\_\_\_\_ Animal (plural) \_\_\_\_\_ and the spotted \_\_\_\_\_ Animal (plural) \_\_\_\_\_ lying asleep, on the

roof sat the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ with their heads under their wings. And when he entered the house, the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ were asleep upon the wall, the cook in the kitchen was still holding out his hand to seize the boy, and the \_\_\_\_\_ *occupation* \_\_\_\_\_ was sitting by the \_\_\_\_\_ *color* \_\_\_\_\_ hen which she was going to pluck.

He went on farther, and in the \_\_\_\_\_ *Adjective* \_\_\_\_\_ hall he saw the whole of the court \_\_\_\_\_ *Verb - Present ends in ING* \_\_\_\_\_ asleep, and up by the throne lay the king and queen. Then he went on still farther, and all was so quiet that a breath could be heard, and at last he came to the tower, and opened the door into the \_\_\_\_\_ *Adjective* \_\_\_\_\_ room where Briar Rose was \_\_\_\_\_ *Verb - Present ends in ING* \_\_\_\_\_.

There she lay, so \_\_\_\_\_ *Adjective* \_\_\_\_\_ that he could not turn his \_\_\_\_\_ *plural body part* \_\_\_\_\_ away, and he stooped down and gave her a kiss. But as soon as he kissed her, Briar Rose opened her eyes and awoke, and looked at him quite sweetly.

Then they went down together, and the king awoke, and the queen, and the whole court, and looked at each other in great astonishment. And the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ in the courtyard stood up and shook themselves, the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ jumped up and wagged their tails, the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ upon the roof pulled out their heads from under their wings, looked round, and flew into the open country, the \_\_\_\_\_ *Animal (plural)* \_\_\_\_\_ on the wall crept again, the fire in the kitchen burned up and \_\_\_\_\_ *Verb - Past Tense* \_\_\_\_\_ and cooked the meat, the joint began to turn and \_\_\_\_\_ *Verb - Base Form* \_\_\_\_\_ again, and the cook gave the boy such a box on the ear that he screamed

and the           occupation           finished plucking the fowl.

And then the marriage of the king's son with Briar Rose was celebrated with all splendor, and they lived contented to the end of their           Noun - Plural          .
