WORK PLEASE

"Eat me, Daddy," I whispered to him. "Make me c*m."

He dug in, using his _____ Part of Body _____ to pleasure my _____ Adjective _____ word for V _____ with unnecessary urgency, as if he was in some kind of a rush. "Slow down baby, let me enjoy it awhile," I told him, and he did.

Mentally, I was in some type of a sexual heaven. Pre-sex bubbles combined with the _____ Verb - Present ends in _____ ING _____ effects of the wine have reduced my sexual inhibitions to nil. I was screaming out _____ Adjective _____ words of _____ Adjective _____ pleasure in a way that was way too loud for the open windows. But I had no shame left in me at this point at all. Actually, the idea that Mr. Andrews next door was likely hearing my pre-orgasmic screams, only added to the intensity of my _____ Adjective _____ morning. The big moment was almost here.

I grabbed Coleman by his hair desperately needing to fine tune his movements at this point. He was _____ Verb - Present ends in ING _____ up and down my _____ word for V _____ which felt great, but I needed him to concentrate on my cl*t right now. "Tightly around my cl*t baby...stay on it now... yes... right there," I was _____ Verb - Present ends in ING _____ loud enough for Mr. Andrews to hear, and I pictured him _____ male masturbation _____ .

I finally felt it.

"Yes... yes... yes..." I could only say as spasms of orgasmic pleasure travelled up and down my Part of
Body. I felt it all over: my Part of Body, my anus, my nipples. I was in pure sexual ecstasy
experiencing one of the best orgasms I had in quite a long time -- so Adjective and powerful that I felt
drenched and Adjective as soon as it was over.

But Coleman wasn't finished yet. Close though. His eyes had that "out-of-this-world" gaze and his
Verb - Present ends in ING was loud and Adjective. He pulled me a bit closer forward, stuck his
Adjective name for P in my juicy word for V, and started pumping into me like there was
no tomorrow. Verb - Present ends in ING me hard and fast while taking in the visual of my wet word
for breasts violently bouncing from the impact of his powerful thrusts. He was clearly on a mission to empty
his Adjective balls as soon as was humanly possible -- and I knew he was almost there.

And there it was.
