# drive

You told me you were coming direction

Right back

Promised it was Noun and I believed that

But if I Verb - Base Form for it again

I will be a call a person

If our emotion is at the end

Then why do I still want you?

Yeah

But I guess I got no event

Send me Noun I just let 'em die

I was Adjective thinking you were mine

It was all just a Noun

Drive my body part into the night

You can drop the Noun off in the morning

'Cause I don't want to leave Noun, without your emotion

Without it

I

always knew I never wanted this

I never thought it could happen

You acted like you wanted this

But then you led me on
