drive

You told me you were coming
Right back
Promised it was and I believed that
But if I for it again
I will be a <u>call a person</u>
If our is at the end
Then why do I still want you?
Yeah
But I guess I got noevent
Send me Noun I just let 'em die
I was thinking you were mine
It was all just a
Drive my body part into the night
You can drop the off in the morning
'Cause I don't want to leave, without your emotion
Without it

always knew I never wanted this

I never thought it could happen

You acted like you wanted this

But then you led me on
