## Beauty can be dangerous.

| Last week, I met a woman at the entrance of the cinema. She was so and pretty; I expected she                     |
|---|
| was coming to watch the same movie. I was so surprised that when I came into the theater, she was there. The      |
| movie was called "  |
| by her side. She was eating and drinking, I gave her a chocolate and she liked it.                                |
| When the trailers ended, a very and fit guy arrived and told me that she was his wife, he hit my                  |
| Part of Body and everybody in the cinema got really Adjective. I didn't know she was with                         |
| somebody because she told me she was alone. Then, while they were   |
| that her husband was spying her because she has been cheating on him, and this was the                            |
| time she went to watch a movie by herself to meet guys. After this situation, I learned that men should not trust |
| single women at the cinema, beauty can be dangerous sometimes.  |
