# Go Action Go

there once was a knight who had to fight this dragon and won. but the knight was sad he got every thing he wanted but a wife. then one simple day the king said he was going to start picking guys to make him as a husband to his daughter. the knight knew that this was the only chance of finding himself a wife. so he was going up to the castle until he stopped and thought to himself what if the princess doesn't like me for who \_\_\_\_\_ i \_\_\_\_\_ am but he said that it is worth a shot. And it turns out that the princess did like him for who he is and they lived happily ever after.
