# A Egalitarian, Feminist Ceremony

\_\_\_\_\_ Noun - Plural, welcome. Thank you for being here. We have been invited here to share this special day with Bird and Tree. \_\_\_\_\_ celebrity said 'love is a string of coincidences that gather significance and become \_\_\_\_\_ Noun.' Tree and Bird don't know why \_\_\_\_\_ deity blessed them to meet each other and to fall in love, \_\_\_\_\_ Repeat Last deity did bless them.

Marriage is that blessed \_\_\_\_\_ Noun wherein \_\_\_\_\_ Number equals 'join in their strength,' forming a partnership in which 'there is none called the least, or the greatest.'

Today, we gather with them as they embark on this new part of their journey together. Life's journey is \_\_\_\_\_ Adjective; it is a journey 'of becoming.' While life is often challenging, with love we can 'gladden the hearts of those who are traveling the often \_\_\_\_\_ Adjective journey with us." Because we have love, 'life, even amidst pain and" struggle, becomes beautiful. As the late, \_\_\_\_\_ Adjective Bob Ross told us, 'It's amazing what you can do with a little love in your \_\_\_\_\_ Part of Body.'

People like to talk about love. The \_\_\_\_\_ website page on love has almost as many words as all the \_\_\_\_\_ title of book combined. There are more than 10,000 \_\_\_\_\_ Repeat Last website articles with 'love' in the title. It seems that 'some people wanna fill the world with \_\_\_\_\_ Adjective love \_\_\_\_\_ Noun - Plural and other lovey-dovey-ness. But there's nothing wrong with that, so we're gonna have some readings on love.

\_\_\_\_\_ person in room, 'Love seeketh not ...'

Serving each other is integral to love. 'Love is mutually feeding each other, not \_\_\_\_\_ Number parasitically living on another.' Love calls us to abandon "the scales that \_\_\_\_\_ Verb - Base Form our vision,' scales of selfishness that obscure 'our equal humanity.' Love rejects "the notion that we're \_\_\_\_\_ Verb - Past Tense rather than linked.' Love says, 'I'll \_\_\_\_\_ Verb - Base Form with you." Love does not keep score and demand, "Pay me that thou owest." Rather it invites us to say, 'Please tell me how I can love you better.' The love between Tree and Bird will continue to grow as they care for each other.

\_\_\_\_\_ Noun unites a couple 'so they are no longer \_\_\_\_\_ Number, but \_\_\_\_\_ Number.' The partners are on the same \_\_\_\_\_ Noun, 'for in love there are no penalties and no payments, and what is given is indistinguishable

from what is received.' Throughout the changes that life \_\_\_\_\_ Verb - Present ends in S, even 'when \_\_\_\_\_ Adjective age and \_\_\_\_\_ Noun - Plural cover' them, Tree and Bird are to remain true to each other.

\_\_\_\_\_ person in room writes about the moment she came to understand love: 'The beautiful truth burst upon my mind--I felt that there were \_\_\_\_\_ Adjective lines stretched between my \_\_\_\_\_ Noun and the spirits of others.' Tree and Bird are grateful to feel these connections, both with each other and with all of you.

Bird and Tree, you are about to make some important commitments to each other. You will \_\_\_\_\_ Verb - Base Form to be each other's companion and constant \_\_\_\_\_ Noun. You will pledge to share life together, to be a \_\_\_\_\_ Noun, to care for each other, to support each other, to be faithful to each other, to be there for each other.

This is a great day. But it is not an end. \_\_\_\_\_ celebrity notes, 'I have discovered the \_\_\_\_\_ Noun that after climbing a great hill, one only finds that there are many more \_\_\_\_\_ Noun - Plural to climb. I have taken a moment here to rest, to \_\_\_\_\_ Verb - Base Form a view of the glorious vista that surrounds me, to look back on the distance I have come. But my walk is not yet ended.'

And now, Bird and Tree, 'I \_\_\_\_\_ Verb - Base Form you united by the ties of marriage.' 'May \_\_\_\_\_ deity bless this marriage that it may be a \_\_\_\_\_ Noun of compassion, a seal of happiness here and hereafter,' 'an ever-fixed mark that looks on \_\_\_\_\_ Noun - Plural and is never shaken.' \_\_\_\_\_ foreign word.
