World of Warcraft

One day three strong characters were taking an adventure together. These three people have never met before and moonjuice was the oldest followed by Grapejelly then Trainwreck. The two elders noticed that Trainwreck was extremely Adjective which was a good thing but also got very annoying. During their travel they fought many foes and Trainwreck being the least experienced one got poisoned. Since Moonjuice was very Adjective in alchemy and herbalism he Past tense verb a potion to cure Trainwreck's poison. When he healed which was instantly they continued on their adventure. Since Trainwreck was the first to get injured ka came into play and he stumbled across a Noun. Inside this noun there was many secret fighting abilities and he read the book which made him learn those abilities comparable to a master. During their travel Grapejelly was a tank which earned him the best gear anyone could get which made him a Noun. One day they heard this very loud roar which shook the earth and within minutes of the roar they seen the creature that made it. They were terrified when they seen this Noun dragon coming there way. The dragon was easily two-hundred feet tall and three-hundred feet long with the tail. The dragon was extremely Adjective and made a strategy about how to kill these tough looking adventurers. With all the years the dragon has been alive you think that he knew exactly how to tear the travelers limb from limb but the dragon was Adjective and rushed at them. The adventurers took the dragon head on and killed it. They took the head

to a local village and sold it on the black market. The towns people thought of the travelers as \_\_\_\_\_ *Noun* \_\_\_\_\_.

The adventurers finally eft the town and began their quest across a \_\_\_\_\_ *Adjective* \_\_\_\_\_ desert.
